Summer Dance Camp - Guidelines and Policies

We've endeavored to create a small, high quality dance camp and program for children. Our program offers highly trained teachers with considerable experience working with children. We offer personal attention, as well as opportunity for parents to discuss their child's participation and progress.

The following are guidelines and policies to help keep the program running smoothly, and keep it fun for the kids:

- **Attendance:** Arriving early and/or promptly helps your child to be comfortable and participate more fully in the camp. We also suggest that children have breakfast prior to class and have visited the bathroom.
If your child will be absent, we'd appreciate receiving a phone call. Of course, we encourage your child's steady attendance, particularly because of our Open House presentation at the end of each week (a first rehearsing and performing experience for many).
- **Parent Observation:** At the end of each week there is an Open House performance for parents and friends; at our discretion there may be other opportunities when parents can observe. We do ask parents of the youngest children to stay on the premises during camp.
- **No photos or video until the weekly Open House, please.** You may bring cameras then.
- **Please label all articles, including shoes.** We are not responsible for lost property. If you have another adult transport your child to class, please ensure that all belongings are picked up.
- **Before and After Camp:** We ask that parents supervise their children before and after camp. Please, no running.
- **Premises Security:** Parents may be given keypad entry codes, for which they are responsible; these codes CANNOT be shared with students. However, the code should be provided to another responsible adult who may be dropping off or picking up. Entry is not allowed without building staff on hand and/or if the building is not Open.
- **Students must be dropped off and picked up from the studio.** Please do not drop your child off outside, or ask your child to meet you there after camp. Students must stay in the building; they are not to wander around or off the premises. No child is allowed to leave the studio without a parent or guardian. Parking is available on-street only (any building lot is private use).
- **Please pick your child up promptly after camp or afternoon care.** We sometimes must leave right away.
- **Please make sure we have numbers where we can contact you in emergencies.**
- **We reserve the right** to replace teachers or change class location, and will provide advance notice. Policies are subject to change.
- **Late fee: Tuition balance is due on the first day you attend camp. If paid late there is a \$15 late fee.**
If you have another adult transport your child to camp, please make sure to attend to any unpaid balances due by sending a check along with your child to camp.
- **Payment by check or credit card: There is a \$25 charge if your check is returned, or if your credit card is declined or expired.**
- **There are no refunds, but at the Director's discretion, a credit for a later program or session may be given.**

In addition to the teaching skills you see in class, a lot of preparation goes into creating our small program, from scheduling the space, to planning classes and activities, and communicating with parents. So we thank you for helping by abiding by our policies. If you have any questions, please do not hesitate to call, or speak with any of us after a session.

We look forward to happy campers and dancers!
